

Consideration of Use of Consent Agenda at SATM 2026

I suggest the following motion for Town Meeting Member's consideration regarding use of Consent Agenda motion:

Move that a CONSENT AGENDA shall be in order during the First Session of this Spring Annual Town Meeting; provided, however that the Moderator must ensure that said motion is published in the Finance Committee Recommendation Book which is required to be provided at least seven (7) days prior to the opening of the First Session of this Spring Annual Town Meeting. The Moderator shall propose to Town Meeting Members a "Consent Agenda" in the form of a motion listing all articles and respective motions which (based on the advice of the Finance Committee, Town Clerk and Town Counsel) the Moderator deems to be non-controversial. At said First Session of the meeting, seven (7) Town Meeting Members may be recognized by the Moderator so that any article shall be removed from the Consent Agenda and debated and voted upon in accordance with the provisions of Town Meeting rules and practices. All articles remaining in the Consent Agenda shall then be voted upon by a single majority vote without sponsor presentation or debate.
